End of 2nd Quarter/Report Cards: The end of the 2nd Quarter is Friday, January 12. Any and all work for the 2nd Quarter needs to be completed by the end of the day Friday. 2nd Quarter report cards will be sent home on Monday, January 15.

Science Fair: How's the progress going? If you have any questions or concerns moving forward, please contact your child's teacher.

No Bussing: There will be no bus service on Monday, January 15 as the public school are not in session that day.

Calendar Changes: We want to make you aware of a few changes to our school calendar.

- **Kindergarten Round Up & 2nd/4th/7th grader for a morning has been "cancelled."** If you have a child who would like to come and see what a typical morning is like, we are happy to have them. We just won't have a formal morning as in the past.
- **Science Fair**—We will now have our Science Fair on Friday, February 2 from 3:15—6:00 pm. Come after school and look at all of the projects. Many of them will be located in the classrooms and some will be lining the hallway.
- **Graduation**—8th grade graduation will now be on Thursday, May 23 at 4:00 pm. Following graduation will be Awards and the school picnic.
- **Last Day of School** will still be on Friday, May 24 but we will have an early release at 12 noon.

If you have any questions about these date changes, please contact the school office.

Church Attendance: Every week, church attendance will be taken in kindergarten through 8th grade. Its intent is to encourage an active worship life in our school families. Please make weekly worship the highlight of your week.

Midweek Chapel & Mission Offering: Each Wednesday (8:15 am) throughout the school year, Trinity conducts a midweek chapel service. This year's chapel focuses around the theme, "Walk with God! Talk with God!". All mission offerings collected at our Wednesday morning chapel services will go to WELS Campus Ministry. To date we have collected \$256.35. We encourage and invite all of our preschool and K-8 parents and families to join the students for this 15-minute service each week.

School Absences: If your student will not be in school on a given day due to illness, please either call the school office to leave a message or contact your student's teacher directly. Only parents can excuse an absence; siblings cannot. A Notice of Absence sheet (available in the school office or online) needs to be filled out when an absence is preplanned. It should be returned to your student's teacher prior to the absence. Thanks for your cooperation!

Lost and Found: If your student misplaces an item during the school year, be sure to check the lost and found shelf outside the office.

Winter Weather Wear: I think winter is here! Please make sure your student has the appropriate clothing to go outside for recess each day. Winter coats, hats, mittens, snow pants, and boots are needed. Always plan for outside recess.

Mr. Habben's News—Grades 7-8

Welcome back to the first full week of school in this new year! May God bless you richly as we return to Trinity for this final week of the second quarter. As it is the last week of the quarter, there will be several tests and quizzes this week.

Word of God: The memory treasure for Tuesday (1/9) is **Romans 6:1-2**. The memory treasure for Thursday (1/11) will be **Mark 1:7-8**. We will have a **test** on chapter 4 of "Home Life in Bible Times" on **Thursday (1/11)**.

Math: We will have our chapter 4 math test on **Tuesday (1/9)**. We will start our new chapter on plane geometry on Wednesday.

Language Arts: We will have our **chapter 2 test on Wednesday (1/10)** Students are reminded that although this will be an open notes test, studying before the test is highly recommended! We will also be having our weekly **spelling test on Friday (1/12)**.

Science: This week we will continue our lesson on "The Water Cycle". We will be learning how the water cycle affects the Earth's surface. There will be a **quiz** on these lessons on **Wednesday (1/10)**.

Social Studies: We finished chapter 3 and had our review session last week, which means that we will have our **test this Tuesday (1/10)**.

Hymnology: The memory work **due for this Friday (1/12)** is verse 1 of Hymn #333 "O Little Town of Bethlehem". The hymn we will be studying for next week will be Hymn #384, "Hail to the Lord's Anointed".

Phy Ed: We will continue our unit on soccer this week.

Have a blessed week in Christ!

Mrs. Wetterau's News—Grades 4-6

Memory Treasures:

Tuesday, January 8th- 5th Commandment

Wednesday, January 9th- Matt. 22:39b

Friday, January 12th- Eph. 4:32

Spelling: Unit 12 Week 2

The final test will be Friday, January 12th.

Science Fair: Please be working with your child on his/her science fair projects. A packet was sent home before Christmas explaining the project entails and examples of what can be done. If you have any questions, please feel free to contact me. **The projects are due February 2nd.**

Extra: The students raised and donated \$210 to the WINGS program. The coordinator was very thankful for the gift and have several ideas what to purchase with it. Thank you for all those that donated to this community program.

Thank you also for all the wonderful gifts you gave me for Christmas. I am truly thankful to be teaching at Trinity and for you choosing me for your child's teacher. I am beyond blessed to be doing something I love so much!

Mrs. Brace's News—Grades K-1

Everyone was excited to get back to the classroom after our Christmas and New Year's break. With God's blessings, everyone returned safely and in good health.

January will be an exciting time in our classroom as we prepare for Trinity's Science Fair. Our classroom is being transformed into a tropical rainforest! The children will learn about this beautiful part of God's creation. Along with many STEM activities, the children will be making many art projects to decorate the class-room with.

God's blessings to all of you in this new year!

Mrs. Bennett's News—Preschool

Hello! I pray that everyone's 2024 is off to a great start! As we wrap up the 2nd quarter, we will focus on when Jesus was 12 years old and his temple visit. We will continue our explorations of the sun, earth, and moon, winter, P, p, and rectangles. How are we half way through the school year already? Thank you, again, for the privilege to serve your precious ones and our Lord!
